BARLUGA HAS BEEN THE CHOICE FOR MAJOR INTERNATIONAL FILM WRAP PARTIES AND RECENTLY WAS THE VENUE FOR THE 2007 BURTON OPEN INTERNATIONAL SNOWBOARD AFTER PARTY.

A stylish interior combined with an extensive wine list has ensured Barluga is 'the' bar to visit in lake Wanaka. The long bar is an ideal spot to make new acquaintances while enjoying a cocktail or wine. Alternatively try one of the many international beers on offer and sink into a leather sofa with friends. While distinctly polished and laid back early in the evening Barluga is a classic intimate party venue later on. The bar is blessed with a huge sheltered courtyard and huge roaring fires both inside and out.
